The City of Highland Park has contracted with Pete the Painter of Northbrook, Illinois to paint the P1 level (upper level) of the Port Clinton Parking Garage. The P2 level (lower level) will remain open and available during the dates of section closures, which should accommodate the missing spaces on the upper level.

Work will commence Wednesday, August 17th and will be completed Wednesday, August 24th. Each work day, painting will be begin at **7:00 a.m. and conclude by 4:00 p.m.**

Painting will be focused on the walls, pillars, metal doors and frames, as well as yellow safety striping on islands. Signage will not be changed or disturbed. Ceiling areas and the floor of the garage will not be painted. The current color scheme will not be changed. Walls and pillars will remain white, except for the red pillars which are location markers for fire equipment. Metal doors and door frames will remain brown. "Wet Paint" signs will be applied to completed surfaces.

The garage will be broken up into four sections and work will be conducted as outlined below:

- **Section 1 East Side of Garage (First St. side): Painting will include walls, pillars, metal doors, door frames and yellow safety striping on islands.**

- **Section 2 West Side of Garage (Second St. side): Painting will include walls, pillars, metal doors, door frames and yellow safety striping on islands.**

- **Section 3 North & South Sides of Garage (Central Ave. & Laurel Ave.): Painting will include walls, pillars, metal doors, door frames and yellow safety striping on islands.**

- **Section 4 Center Areas of Garage: Painting will include pillars & yellow safety striping on islands.**
